Students Enjoy Enrichment

This year, all Marshall students enjoy the opportunity to participate in a form of extra-curricular enrichment of their choice. Now that all students have made their choices, Enrichment classes are in full swing. Students have their Enrichment classes twice a month on Friday's for the last hour of the day. Students will have another opportunity to choose a new Enrichment class in January. The second choice will start in February and run for the remainder of the school year.

Staff members are providing a variety of indoor and outdoor options that range from Chess and board games to Ultimate Frisbee and Cooking. We encourage you to ask your child what Enrichment they are in and what they think of it!

Enrichment offers students time to play drums, shoot hoops, or cook!

Drop Off & Pick Up Reminder

Just a reminder, please do not drop off students prior to 8:25 am. There is no adult supervision prior to this. On most days, we will allow parents to begin to unload at 8:20 am, so we can move the car line at 8:25 am. Now that it is getting colder, this is especially unsafe. We appreciate your cooperation with this expectation.

Also, please pick up your child by 4:15 pm. At 4:30 pm the office closes, and starting on Monday 11/25, parents will need to come into the gym (via cafe door) to sign out their child if they arrive later than 4:30 pm.
