The Winter Bash

To reward our students who were champions in the classroom and did not have any discipline referrals/behavior infractions from 12/02 - 12/16, we are having a Winter Bash. This event will take place during our students' Career Arts time. At the Winter Bash, we will have food trucks, music, games, and just a good time right before the holiday break!

Again, all students with no discipline referrals/behavior infractions will be allowed to attend. We want to thank all of our students who continue to demonstrate the four P's (Positive, Productive, Punctual, & Polite) on a daily basis. Keep up the great work!.

Students enjoy Winter Bash incentive this Wednesday during Career Arts!

MAP 2 Results

This past week, Math and Literacy teachers have been holding the second round of data talks with their students to discuss their MAP 2 results. Your child should be bringing home MAP 2 results this week. Please discuss with your child their progress and encourage your child to continue to work hard to meet or exceed their projected RIT growth score for February. The district goal is to have 60% of all students meet or exceed their projected RIT score on the 3rd MAP test in February.

At Marshall, we would like ALL of our students to meet or exceed their projected RIT scores! To celebrate students who demonstrated growth on the 2nd MAP test, we are giving tickets that are redeemable for treats this Wednesday. Students who already met their February RIT score will receive a certificate. We encourage all students to keep working hard to meet their projected MAP goals for February!

Garden Club

The Marshall Garden club is building a Legacy Patio. We are trying to get every student and staff member to bring in an 8x8 inch or 8x9 inch aluminum pan to create a step stone. Please put your name on it and deliver it to room 119. Marshall Garden club is also collecting clean, clear 2 liter bottles to build a greenhouse. We've collected about 200 so far. Help us reach our goal of 3,500 bottles
