- | | |
|-----------------|------------------------------------|
| -Hand Sanitizer | -Disinfectant (Clorox/Lysol) wipes |
| -Baby Wipes | -Paper towels |
| -Kleenex/tissue | |

Parents,

Due to COVID-19, it is extremely important that students to have their own, personal materials. We are discouraging them from sharing and utilizing community supplies/materials. For this reason, **it is imperative that students have multiples of daily commonly used items such as pencils, pens, glue sticks, and highlighters.** Additionally, it is important to check-in with your child to ensure that he/she is not running low on or missing any supplies throughout the school year. Some additional supplies will be available through our supply drive that is tentatively scheduled for a date in August. Be on the lookout for that announcement.

Headphones/earbuds will be used weekly and need to be kept at school, so that they are available when needed. **Expensive headphones/earbuds are not recommended.** We suggest a pair under \$5.

Thank you for your support!
