Students will also need (1) combination lock in order to be assigned a locker.

Classroom Wish List

- Hand Sanitizer
- Baby Wipes
- Kleenex/tissue
- Disinfectant (Clorox/Lysol) wipes
- Paper Towels

Parents,

Please be mindful that due to COVID-19 we are especially encouraging students to have their own materials and discouraging them from sharing and utilizing community supplies/materials. For this reason, **it is increasingly important that students have multiples of daily commonly used items such as pencils/pens, highlighters, and paper.** Additionally, it is also important to check-in with your child to ensure that they are not running low on these items throughout the school year.

Earbuds will be used weekly and need to be kept at school, so that they are available when needed. **Expensive earbuds are not recommended.** The \$1-\$2 kind will suffice.

Thank you for your support!
