Marshall M.A.D.E

Marshall M.A.D.E stands for Making A Difference Everyday. We believe students can do this everyday at school by following the four P's which are being Positive, Productive, Polite, and Punctual. As you walk through the building, you will see posters that indicate how the four P's relate to student behavior in areas such as the hallway, cafeteria, and classroom. It is our goal that all students do their part to make a difference everyday at Marshall by following the four P's!

Every day Mariners will be...

Positive
Productive
Polite
Punctual

Dressed for Success

We believe it is important to dress for success! However, we acknowledge that for some families this can be a challenge. We are partnering with Unicycle to collect and give out clothing to students in need. Our dress code is below. On Friday's we allow students to wear jeans. However, remember rips, holes, and frays are not permitted.

LOOKING FOR DONATIONS

Ms. Hershey & Ms. Beveridge, our Low Incidence teachers, are looking to add the ability to teach their students how to cook and clean. Because of your generosity we have a refrigerator and stove on the way. If you have a spare electric washer and/or dryer that you would like to donate, please contact Ms. Hershey and Ms. Beveridge at gretchen.hershey@mnps.org and kerry.beveridge@mnps.org. Thank you!
